TERMINAL DISCLAIMER

Sir:

The undersigned, Michael Ure, represents that he/she is a representative authorized to sign on behalf of the Assignee, NXP B.V. NXP B.V. is located at High Tech Campus 60 5656 AG Eindhoven, The Netherlands, and is the owner of all right, title and interest in the above-identified Application.

The Assignee hereby (a) disclaims the terminal part of any patent granted on the above-identified Application or on any continuations thereof which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,721,548 which issued on 04/13/2004 and as presently shortened by any terminal disclaimer and (b) agrees that any patent so granted on the above-identified Application or on any continuations thereof shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to U.S. Patent No. 6,721,548. This agreement shall run with any patent granted on the above-identified Application and is binding upon the grantor, its successor and assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified Application prior to the expiration and the full statutory term of U.S. Patent No. 6,721,548 in the event it later expires for failure to pay a maintenance fee, is held unenforceable,

is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any Terminal Disclaimer, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the above-identified Application or any patent issued thereon.

Respectfully submitted,

By 
Michael Ure, Reg. No. 33,089
for NXP B.V.

Dated : May 29, 2007.

STATEMENT OF COMMON OWNERSHIP

It is certified that, to the best of the undersigned's knowledge and belief, the Assignee seeking to take action has legal title to both the above-identified Application and U.S. Patent No. 6,721,548
